Kindergarten will continue using Stories of God's Love, an RCL Benziger curriculum. Confirmation will use a compilation of various resources.

Looking for the opportunity to be a valued part of CFF? Consider volunteering. It has eternal benefits! See the available openings on the flip side or call the CFF Office for further details.

Children's Faith Formation is more than 'CCD'.

We are committed to 'forming' young disciples through a curriculum that is engaging and experiential as it develops their religious literacy and helps them integrate their Catholic faith into real life applications. We are committed to helping our young disciples 'form' a life long relationship with God and their church community by providing calls to prayer and outreach opportunities that reflect catholic social teaching.

CFF will once again take place on the 2nd floor of the Education Center where ALL rooms are now air conditioned and technology resources are available.

St. Anthony's Education Center offers an outstanding learning environment. While Kindergarten will share a room with Preschool, Grades 1 thru Confirmation have their own space dedicated to learning about their Catholic faith. Each room welcomes children with a warm and engaging décor and our hallways are available for displaying creative projects.

Share the good news that registrations for CFF are accepted anytime throughout the year.
